Matheson as counselors and Joseph E. Ward as clerk, were sustained by a unanimous vote of those present.

Della Adams, Wilford Bentley, Carlisle Hoyte, Eddie Matheson, Edie Bentley, Moroni and William Smith, Bell Mitchell, Della Orton, Vera Rose and Verda Lyman are among the students who are away attending school this winter.

## KANARRAVILLE.

Kanarra, Utah, Sept. 27, 1916. Mr. and Mrs. Dan Webster left last Sunday for Loa, Wayne county, to assist Elijah Maxfield out with his cattle. Mr. and Mrs. Maxfield have been living on James Berry's farm.

James L. Davis is building up his house again. It being deemed unsafe to live in, he tore it down to a one story, one side being taken down to the foundation.

Mrs. James S. Stapley came home from her farm quite ill recently, but is some better at this writing.

Mrs. Charles Parker, Sr., has been quite poorly the past few days and does not appear to be getting any better.

The new threshing machine owned by Joseph Melling and others of Cedar City, will finish the threshing here Saturday next. The Dixie machine broke two cog wheels, is beyond repair for a month or two, at least.

The coal miners are piling up coal for future sale. There is now about 40 or 50 thousand pounds stored up.

Joel Roundy and Pole Pollock have gone to Dixie for fruit.

There were no Sunday School or afternoon services here last Sunday, owing to the officials all being at conference in Cedar City.

The U. S. surveyors are still here, having been engaged in surveying the unsurveyed land east of here for the past three weeks. They have now moved their camp onto the western side of the valley.

Noel Williams is building a two-room house and is performing the work himself, with a little help from his grandfather, Reese J. Williams, who is a first-class carpenter.

The sheep men are fast moving their flocks down from the mountain. The wether lambs are being taken to Lund for shipment to the markets.

Jobert, Mr. O. M. Fee and Lonie, Harry, Albert and Alfred Landling. Refreshments were served and all had an enjoyable time.

The Ford Sewing club met at the home of Mrs. Harlon Johnson last Tuesday afternoon. The ladies spent some very pleasant hours at this meeting.

Victor Carlson has his home almost completed. Victor is going to have a mighty good substantial house as he has it placed on a good cement foundation.

We were sorry to learn of the indisposition of our Sunday School Superintendent, Mr. H. E. Rimell. We hope Mr. Rimell's health will speedily return.

Mrs. L. L. Breaud pleased our Sunday School pupils, by taking a photograph of the entire school last Sunday. We hope this picture will turn out good, that we may be able to show those who do not know us what we can do.

## How to Succeed

When you seek advice you don't consult the failures, do you? You ask people who have succeeded.

All right. We take it for granted that you want to succeed in life too; want to make money and have some of the comforts and even luxuries. Need advice? Go ask the men of this community how they did it. Watch their methods if you don't feel free to ask. You will find that they all have funds at the bank. Most of them started in a small way. They were industrious, they practiced economy and they met their obligations with scrupulous care. Some of them are directors of this bank today. The same road is open for you.
